NATIONAL CONFERENCE ON EQUITABLE DIGITAL ACCESS (NCEDA)

The National Conference on Equitable Digital Access (NCEDA) is a platform that brings together experts, researchers, educators, developers, and advocates to advance the discourse on inclusive and accessible digital technologies. This program is hosted by Marian College Kuttikkanam Autonomous in collaboration with the Mozilla Responsible Computing Challenge, NCEDA aims to empower developers and educators by fostering innovation in inclusive digital spaces, accessibility solutions, and responsible AI practices for the advancement of persons with disabilities.

Workshop
